Please describe the proposed works
Alteration to existing garden wall by addition of period arched feature to the entrance of a garden/boundary wall.
Preliminary, preparatory works were started but reversed in compliance with Camden Council's request. This was done in liaison with Ms E.Beaumont who was satisfied with our remedial compliance measures pending the necessary approvals (e-mail 26.07.22).

It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
