Dear Sir/Madam,

Re: 52 Avenue Road, London, NW8 6HS

Application no: 2022/1863/P

I am writing in response to the above planning application I am aware of as a notice was put outside my property, number 50 Avenue Road.

Firstly, how have we not been informed by the council of this application? We are the immediate neighbour? The plans show twelve houses to be built on the site which are very close to the boundary wall and being three storeys high will affect our privacy.

If one or even two houses were built on the site I would not object. Avenue Road is known for its grand and unique houses and Avenue Road is also a very busy road especially at the junction with St John's Wood Road.
