OUR REF: HS2-LBC-SC-015

Dear Sofie,

Thank you for consulting HS2 Ltd on the above matter we have the following comments to make.

As the proposals do not directly affect any HS2 construction works in the area HS2 Ltd raises no objection to the proposals for variation of conditions. However, the local planning authority and applicant are reminded of the attached previous HS2 consultation responses dated 27 July 2017, 10 December 2019 and 14 August 2020 respectively and to the advice contained therein regarding the planning conditions imposed to protect HS2's safeguarded interests in that location, which again remains valid in respect of the development as proposed to be amended.

In light of the above, ongoing engagement is recommended between interested parties and the applicant is advised to continue following progress of the HS2 project at: <https://www.hs2.org.uk/the-route/london-to-west-midlands/>.

Yours sincerely,

James Fox | Safeguarding Planning Manager, Technical Services Directorate | HS2 Ltd
