Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Certificate of Lawfulness (Proposed) Granted

The Council hereby certifies that the development described in the First Schedule below, on the land specified in the Second Schedule below, would be lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 as amended.

First Schedule:

Like for like replacement of 11 single glazed windows with double glazed windows
Drawing Nos: Site location plan SL-001, BL-002, A100, A150-EL, A200, A250-EL,
Design and Access Statement, Manufacturer's Details

Second Schedule:

Flat 85 Bedford Court Mansions
Bedford Avenue
London
Camden
WC1B 3AE

Reason for the Decision:

- 1 The works are not considered to fall within the "meaning of development" requiring planning permission as defined by the Town and Country Planning Act 1990.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and

emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

- 2 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.

Notes

1. This certificate is issued solely for the purpose of Section 192 of the Town and Country Planning Act 1990 (as amended).
2. It certifies that the use*/operations*/matter* specified in the First Schedule taking place on the land described in the Second Schedule was*/would have been* lawful on the specified date and thus, was not*/would not have been* liable to enforcement action under Section 172 of the 1990 Act on that date.
3. This Certificate applies only to the extent of the use*/operations*/matter* described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use*/operations*/matter* which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
