NOTES

- All co-ordinates, levels, dimensions and discrepancies are to be reported to the architect immediately.
- This drawing is to be read in conjunction with all other Engineers' drawings, details and specification.
- For site information and dimensions please refer to commissioned measured survey.
- All drawings to be read in conjunction with architectural specification.
- Do not scale from these drawings. Use figured dimensions only.
- All dimensions in mm.

Notes

- Cast iron rainwater hoppers and downpipes to be retained and redecorated where possible. New cast iron replacements to match to be installed where required to replace all PVC downpipes.
- New catenary lighting above Kilburn Mews
- New frontages to existing arches
- Cycle storage to be located within Arch 15A
- Gateway with pedestrian, emergency vehicle and delivery vehicle access only
- Light cleaning and repairs to existing brickwork.
- Gateway to Kilburn Mews with pedestrian access, allowance made for vehicular access for emergency vehicles.
- Indicative location of new high level entrance signage.
