2022/3673/P	Aurore Down	06/09/2022 17:32:53	SUPPRT	As the owner of 1 Millfield Place which adjoins the application site, I have no objection to the proposed basement . I see that it will not be visible from our garden, or anywhere as seen from the street, or outside the site itself. Also as it is no deeper than the adjoining houses on Millfield Lane I can see that it will not have a negative effect on any adjacent properties .
