Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Dear Sir or Madame,

My name is Daniel Dolezar and I live at Flat 4, 17 Rosemont Road, NW3 6NG.

I am planning to renew my private hire licence with Transport For London (TFL). I have been instructed to contact you in order to establish if a planning permission is needed or not.

Currently I hold private hire licence for Airport Cars 4 You.Ltd and the address mentioned above is listed as company address.

I have no intention of placing any advertising materials on a building where I live, no customers can nor will access my flat and I am the only driver. I will take customers bookings on my mobile phone/laptop. I have only a limited number of private clients who have never been to my residence nor they ever will. The property will remain exactly as it is at this moment. Nothing will change.

Many thanks,

Daniel Dolezar

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I have not done any physical work on a flat nor building. I do not placed any advertising material on the outside of the flat/building. I don't have nor require my clients to come and visit me. I do not cause any traffic obstruction as I am the only driver and I do have a resident permit for my car. I work only a very limited number of hours and I accept customers bookings on my mobile phone/laptop thus limiting any noise/disruption to local residents.
