2022/3815/PVL	Peter Jones	11/09/2022 10:41:26	OBJ	<p>When permission for a streatory was first sought, the explanation was that it would be a temporary measure taken because of the problems caused by the Covid pandemic. Now life has returned to normal and all restrictions have been lifted, yet businesses are seeking to extend this temporary approval for no pressing reason.</p> <p>The Escapologist has consistently been the main source of late-night noise and disruption in Earham Street and it is entirely inappropriate that residents should be made to suffer from the disturbances associated with the late-night revelries of their intoxicated customers congregating in this residential street.</p>
