2022/3553/P	Gabriel Balint-Kurti	08/09/2022 11:46:03	OBJ	The filling station provides an essential local facility. It is the only filling station nearby and is of vital importance to the residents in the area. If the current owners no longer wish to provide the essential service of enabling cars to refill their tanks, then they should sell the filling station to another company that is willing and able to provide this service. There should be no change of use of the site.
