Please state why a Lawful Development Certificate should be granted

Prior approval had been procured for the site at 5-8 Anglers Lane under application 2013/4538/P, permitting a change of use under the Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2013, from Class B1 (a) (offices) to Class C3 (dwelling houses), specifically Class J 'Development consisting of a change of use of a building and any land within its curtilage to a use falling within Class C3 (dwelling houses) of the Schedule to the Use Classes Order from a use falling within Class B1(a) (offices) of that Schedule'.

This permitted change of use was commenced onsite with an initial notice registered 6th January 2014 to commence construction and implement the change of use under Permitted Development. Non-material amendments were incorporated into the scheme that were in accordance with the requirements under the Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2013 - Class J. These amendments incorporate the formation of the residential unit forming the subject of this application, completed onsite 6th December 2017 as confirmed by the Final Certificate 3318-15P/DH/LP issued by Approved Inspector Greendoor Building Control. Other amendments included providing an additional 6 cycle parking spaces, providing a total of 33 secure cycle parking spaces onsite (1 per residential unit), 1 of which is allocated to the unit referenced here.

The unit since practical completion has been occupied by residential tenants and Council Tax ratings for this unit has been effective since 24th October 2017 and on going as evidenced by tenancy agreements.
