The proposed revised drawings seek to remedy the issues in the approved scheme by creating a coherent design that remains consistent in plan and elevation, whilst preserving the objectives of the original proposal. The key elements of the original proposal remain unaffected.

Thank you very much for sharing your images with me.

The design would be a minor material amendment application to the approved scheme so you make a S.73 application to vary the condition relating to the approved drawings of planning permission 2021/2225/P granted on 29/07/2021

You can do it on the Planning Portal and you describe it as :

Variation of approved drawings approved under condition 2 of planning permission 2021/2225/P for 'Erection of single storey side extension at second floor level' granted on 29/07/2021.

We need all the docs and drawings which are not changing, again, so please get a Location Plan, Design & Access Statement and the existing drawings to us too.
