Comment

Do you have any comments or consider that the proposal is harmful to or does not preserve the character and appearance of the conservation area?

The DPCAAC does not have objections to the proposals in this application subject to the proviso that the proposed restructuring of the first floor terrace does not cause problems of overlooking to windows on the west side of La Sainte Union School, which is adjacent to 1 St Albans Villas. The DPCAAC has suggested that the School should seek the views of its property advisors
