Dear Madam/Sir,

I refer to my previous objections to this application dated 15th and 22nd August, to which I have not received any replies.

Having further considered the planning application, it appears that no consideration has been given to my possible deprivation of daylight, sunlight or overshadowing as several of my windows are after all only a couple of metres from the sidewall of No. 61. I would ask that no decision be made on this application until these matters have been properly assessed.

I would welcome your surveyors to my property in order to make the assessment.

Would you kindly acknowledge receipt of this email. Many thanks,

Kind regards,
Karin Orlik
