Dear Ms Quigley

We write with regard to planning applications 2022/3105/P and 2022/3599/L (Ambassadors Theatre, West St, WC2H 9ND). Unfortunately Camden Council's website for comments has been out of action since last week.

One aspect of these applications concerns us, and all the residents of Tower Court: the new air conditioning units to be located on the roof of the theatre.

The existing ones are very noisy, the sound bouncing off 22 Tower St, and are often left on overnight. Please can you ensure the new ones are housed and silenced and active only in business hours?

Please confirm receipt of this letter before the 1st October deadline - our details are attached - since we can't get it via the website.

Kind regards

Dear Mrs Quigley

We sent you registered post our comments on the applications 2022/3105/P and 2022/3599/L (see attachment).

Unfortunately Camden's website for planning applications cannot be accessed presently. We tried several times over the past week as I explained in my voicemail.

Please could you respond to this message at least, to confirm our objection has arrived before the 1st October deadline?
