2022/3113/P	THE HEATH & HAMPSTEAD SOCIETY	21/09/2022 12:52:36	COMMNT	Objection From: THE HEATH & HAMPSTEAD SOCIETY The existing parking area in the front garden is large but does have planted areas both sides. The proposed lay-out removes all the planting areas and allows an increase in the number of cars being parked over ALL the front garden. The front gardens of this Conservation Area when converted to a car park as suggested here has a negative impact on the C.A. and, in addition, is not supported by the Environmental and the car-reducing policies of both the Local Plan and the Neighbourhood Plan. Please refuse.
