Manley Street London NW1 8LT 7 September 2022 Camden Goods Yard Chalk
Farm Road NW1 8EH 2022/3646/P Objection. The increased bulk of this
already over-dominant building does substantial harm to the settings of the
nearby Listed Buildings – especially the Horse Hospital and Stables and the
Roundhouse. These were the dominant features of the townscape, contrasting
with the massing of the modest domestic character of Chalk Farm Road. This
balance – a key element in the historical character of the area – will be
destroyed. Richard Simpson FSA Chair
