Dear Leela Muthoora

We are sure you will be posting our comments on the website soon and we wanted to add a small postscript to our letter of the 28th August.

"Since the middle of August there has been a remarkable change in the conditions of our amenity at No. 9 Burghley Rd.

There has been hardly anybody walking on the roof of No. 11's LDC extension and the 160 year old peaceful atmosphere has returned to our close neighbourhood, something we had enjoyed for our first 20 years living here since 1987.

Long may this state of calm exist."

Best regards

Ivan & Suzanne Sharrock
