Dear Mr Campbell

1 Hampstead Lane/The Gatehouse (2022/1721/P)

I am writing on behalf of the Planning Committee of the Highgate Society to object to the application summarised above.

Anxiety has been expressed by those living close to the Gatehouse pub at the plans to add doors to the newly purchased property next door to the Gatehouse.

There is concern that this will increase noise to the neighbouring houses immediately behind and adjacent, either from increased use of the garden or from the restaurant itself if the new doors are open. Several near neighbours have expressed great concern about the potential for increased noise and disturbance, particularly during the summer months, and have submitted objections. We urge you to take their objections seriously.

Please can you respond with information about the progress of this application.

Yours faithfully,

Catherine Budgett-Meakin

Vice President, Highgate Society and member of the Planning Committee
