Dear Sir/ madam.

I am writing to object to the proposed planning application for roof terrace and balustrades at 51 Solent rd NW61TY .

This will result in loss of privacy for adjacent neighbours like myself , and directly overlooking my property..

I am also worried about the noise level that myself and other neighbours might have to endure from partying on their terrace with lights full on.

This is a quiet residential area ,and we have already endured relentless building works.

Granting this application will result in an incongruous and dominant addition to the already existing extended building .

I trust that you look inot tise matter with great consideration

.Kind Regards
E Tsohas
