Dear Sirs,

Flat 3, 37 Platt's Lane, LONDON NW3 7NN

I strongly object to this application and as per my previous objections.

The proposal will cause overlooking and intrusion for the other flats at no. 37 as well as neighbouring properties.

It is too prominent and will be viewed from **Briardale** Gardens. Further it will bring about an overlooking onto flats 1 and 2 and a loss of their privacy and outlook.

Finally this extension is not compatible with the character and appearance of the neighbourhood and not in line with Camden's commitment to protecting the Conservation status.

Yours faithfully

Julie Harris
