03 October 2022

Dear Sirs

**Application for the approval of detail: Condition 4 of Listed Building Consent  
2020/1446/L: Princes Circus Drinking Fountain**

Applications for listed building consent and planning permission for the dismantling and relocation of the grade II listed Princes Circus Drinking Fountain were approved in February 2021.

Condition 4 of the Listed Building Consent decision notice requested: *Prior to the relevant works, details of a schedule of works and a method statement for the dismantling, storage (and cleaning where necessary) and reinstatement of the Drinking Fountain shall be submitted to and approved in writing by the Council as local planning authority. The work must be undertaken by a qualified professional specialising in building conservation.*

The condition was partially discharged in July 2022 (2021/1830/L) as at the time of the application, the fountain hadn't been dismantled and the works for reinstallation were unknown. As such, only the dismantling and storage aspects of the condition were approved. The current application now seeks approval of the remaining aspects of the condition, namely the cleaning and reinstatement of the fountain in its new location. The Method Statement for these works is attached to the application.

Please do not hesitate to contact me if you require any further information or would like to discuss.

Yours faithfully

Kate Graham  
Director
