2022/2342/P	Diarmuid O'Hegarty	03/10/2022 17:43:10	OBJ	<p>Dear Sirs</p> <p>This comment is an objection on behalf of CRASH, The Combined Residents & Associations of South Hampstead. CRASH objects to the application to demolish the existing bay window, the erection of a full width extension and the proposal to use of the new flat roof as a roof terrace. The proposed extension is too large. The bay windows are a characteristic feature of the houses in the conservation area. The demolition of the bay window to create a fullwidth extension will damage the character of the conservation area. Other extensions have not interfered with the bay windows. The proposed roof terrace is too large and will allow those standing on the new roof terrace to look into the rear windows of neighbouring houses. This is in clear breach of the Camden Planning Guidance & Amenity. CRASH believes that the application as it stands should be refused.</p> <p>Yours faithfully Diarmuid O'Hegarty Committee Member CRASH, The Combined Residents & Associations of South Hampstead</p>
