2022/3936/T	Jinji Garland	05/10/2022 10:53:47	OBJ	<p>Are these trees in Tudor Close or in Glenloch Road ? The sign is displayed on a tree in Glenloch Rd. Please can this be clarified? Especially in Glenloch Rd there is no way this is acceptable. I wish to object in entirety to this proposal/application whether in Tudor Close or Glenloch Rd and would like to know why this proposal/application has been put forth. Absolutely no public trees should be removed or cut back unnecessarily. Many other residents would agree. The sign is not clear and could easily be overlooked. This feels very unethical. Trees, especially Communal trees and street trees are an integral part of the community, beautify the area, help combat pollution and are integral to wildlife especially in this current environmental and climate crisis. Please can this application be rejected.</p>
