2022/4174/T	CRASH	04/10/2022 14:09:39	OBJ	<p>CRASH would like to object to the felling of this lime tree with TPO in the front garden of no. 10 Compayne Gardens. The tree forms an important part of the treescape and street amenity and is highly visible by the public and residents in the conservation area. The survey undertaken by no. 8 Compayne Gardens - the applicants for this felling - notes only slight damage (Category 2) to no.8 building some 12 metres away. It would be highly preferable to undertake tree maintenance initially to see if this improves the seasonal shrinkage rather than felling of the tree. The buildings in the conservation area are nearly all built on clay which is subject to seasonal shrinkage whether caused by vegetation or not and many are subject to cracking and slight damage even without the presence of nearby vegetation.</p>
