2022/3490/P	Xianghu Qiu	10/10/2022 18:10:51	INT	The alternations will take place where very close to the residential area. In fact, it will be right outside of the Osnaburgh Street apartment buildings. The noise caused by the installation should be controlled to the minimum. Also, do not cause significant effects on the traffic and public parkings during the installation.
