2022/3654/P	Alan Lloyd	13/10/2022 15:22:40	SUPPRT	I strongly support this application. Leverton Stores is a vital local amenity, relied upon by the community. The proposed external storage unit for produce is beneficial to the function of the shop while in terms of appearance it is proportionate, unobtrusive and well within the curtilage of the premises. There appear to be no negative effects.
