2022/4000/P	Graham	17/10/2022 13:25:04	SUPPRT	<p>Very much in support of this project. Roofline is already broken on the street and this will allow those Living on Grafton crescent to extend their living space for their growing families. Economic backdrop is making it difficult for families to move at the moment so our urban planning needs to take this into context when making decisions for their community.</p>
2022/4000/P	Claire Wrathall	17/10/2022 12:51:55	SUPPRT	<p>In an era of working from home, these are small houses for growing families, so we wholeheartedly support this application for a roof extension, especially as it will not be visible from the street.</p> <p>In light of the pressure on housing in Camden (not least to accommodate refugees living here under Homes for Ukraine and other similar schemes), surely it is incumbent on the council to facilitate the creation of as many options for accommodation as possible.</p> <p>It would also be a huge loss to the local community if this lovely family were compelled to move.</p>
