**Subject:** Application ref 2022/4207/T

Dear Sir/Madam

I am writing in support of Application ref 2022/4207/T.

We are in favour of the removal of both the trees in the application. They are too large for the space and inappropriate.

We look forward to their removal and are sure some wonderful and more suitable planting will happen instead.

Yours faithfully

Steven and Sue Charkin
