2022/3078/P	DPCAAC	18/10/2022 14:26:07	OBJ	DPCAAC objects to this proposal. The overall headroom over the width of the room is inadequate for a habitable room and would result in sub-standard accommodation. If the Council is minded to grant this applicable, which we think they should not, it is crucial that conservation type rooflights are specified.
