

Subject: 2022/3635/P

Dear ms Henry,
I am a flat owner of 23 Howitt rd
I do object to to this planning application:
- I have 2 kids and living in a constant noise is not what I want for few years or so
- I do not want to endanger myself or kids while traveling nursery or school as my path is that way
- I do have considerations when it comes to the building it self. The building looks very old - Ian not sure if it's adapted to new development - I assume everything will need to be changed
- have currant resident been considered

In general, I just don't understand how it all will work

Many thanks
Flat a, 23 Howitt rd
