Subject: Re: Howitt Close - 2022/3635/P

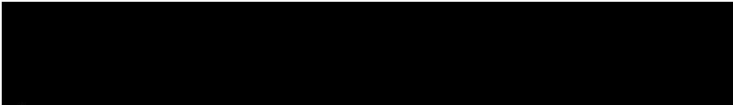

Ms. Henry -

I live across the street from Howitt Close, at 58 Howitt Road. I wrote you last October (below) to object to the application to build units atop Howitt Close, then under reference 2021/3839/P.

I understand that a second application has now been filed under the reference 2022/3635/P, and would like to continue and extend my objections to the second application, for the reasons stated last year. The concerns I have are not addressed by the second application.

Please contact me at this email or  if you have any questions.

Thank you, Kevin King

> Please register my objection to the application for building 7 units on top of Howitt Close. My main concern is elevation, the proposal would impact myself and many other residents on Howitt Road, greatly reducing the southern exposure to the sky. This increased height would not be at all in keeping with the scale of the surrounding residential buildings.
