Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

This Statement supports a planning application for listed building consent relating to Nos. 1 - 4 Lansdowne Terrace (Google street view image above), and Nos. 5 - 8 Guilford Street. Owned by the University of London (UCL) it forms part of the International Hall of Residence. They were built in 1794 to designs by James Burton. Grade II listed, Lansdowne Terrace is a tree-lined street overlooking Coran's Fields between Guilford Street and Brunswick Square. The International Hall of Residence provides accommodation for university affiliates and their families, and it is assumed occupiers will walk or cycle to their place of work or study.

The buildings are positioned behind spear headed railings allowing light to enter light wells facilitating the lower ground level. Above ground there are 4-storeys. Access to the upper ground level is via at least one step. This application does not propose neither a level access between pavement and upper ground floor, the installation of lifts or upgrade to bathrooms and kitchens to comply with the Disability Discrimination Act 2010. The buildings form part of a wider portfolio of accommodation provided by the University of London for its international students, and it is assumed suitable DDA compliant accommodation is provided elsewhere in a more suitable building.

Nos. 1 - 5 Lansdowne Terrace and Nos. 6 - 9 Guilford Street each provide access to one flat except the access for L402 and L502 having a common hallway entrance. All accommodations comprises of sitting room, kitchen, bedroom, and bathroom. Proposals increase only one flat in total number of flats on the ground floor; however the overall design propose only structural rectifications and upgrades to the existing quantity. Windows overlooking the street to the front and gardens to the rear provide natural ventilation and daylight. Access to the garden is only for those occupants residing in the lower ground flat.

Means of escape is via the staircase serving each level, with exit to the street via the front door. Included in the proposals is the replacement of the fire rated flat entrance door, new emergency lighting, exit signs, and the replacement of heat and smoke detectors to meet current Building Regulations Part B covering fire safety matters within and around buildings.

The external fabric of the building will remain largely unaltered. Repairs will address any structural defects, missing roof slates, or damaged brickwork. Where windows are replaced these will match existing. Refinishing the railings will be to match existing. Internally, works will involve rectifying structural defects to the uneven floor levels, the installation of new bathrooms and kitchens. New lighting and an overhaul of mechanical services is proposed throughout, with replacement plant Where required. Where possible, to minimise waste, materials will be re-used or re-purposed.

Internal works proposed comprise :

- Existing floor boards and skirting profiles are to be removed and where practical reinstated following works. Or new boards and skirting profiles to match existing. Where necessary, doors and architraves will be altered to suit new the rectified floor level.
- Demolition of internal staircases within units.
- New fire rated doors to each flat, to achieve the minimum requirements will be installed.
- Removal of affected architectural mouldings including cornice and skirting profiles, to be reinstated following works. Or new to match existing. Impact on original lath & plaster walls will be kept to an absolute minimum, and made good following works
- Internal re-planning by demolishing internal walls.

External works proposed comprise :

- Replace damaged or failing roof slates with new to match existing.
- Overhaul windows to good working order or the replacement of windows to match existing. At the rear of the Terrace later windows will be replaced with traditional timber windows to match the existing. At street elevation the security grilles at lower ground floor level will be removed and later paint removed, to be refinished before careful reinstatement.
- Damaged bricks will be replaced with new to match existing, carefully inserted using a lime-based mortar. Where works only require repointing, this will be carried out using a lime-based mortar or cement-based mortar depending on the location. On Lansdowne Terrace street facing façade a discreet crack stitching will be used to stabilise the bricks.

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

The Terrace was built in 1794 and now it requires repair and internal re-planning to fulfil current functional requirement.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Ownership Certificates and Agricultural Land Declaration

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
- ☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
