

FRONT ELEVATION - EXISTING

FRONT ELEVATION - PROPOSED

#### Windows

With the exception of the living room window all traditional timber box sash windows to be replaced like for like. Timber sashes to be fitted with 20mm thick double glazed units to comply with building regs for energy efficiency. Dimensions of timber sections to be as existing. To be painted white. Glazing bar configuration to match original design evident in neighbouring properties.

revision a 17.10.22 window specification modified
