Hello,

I would like to object to the above application on the following grounds:

This development will continue the journey of the neighbourhood into something of a theme park.

It will largely not appeal to residents, except those with small children, but may attract many more visitors.

It will be visually unattractive and have a bad effect on the local skyline.

It will not be in keeping with the sense of heritage.

It will dislodge those with stalls in West Yard, who will need to relocate and take up space elsewhere.

Please include my comments when considering this planning application.

Many thanks,

Steve Outerson
