Description of the Proposal
Please note in regard to:
<ul> <li>Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.</li> <li>Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.</li> <li>Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.</li> </ul>
Description
Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)
Hunter Street Health Centre and Bloomsbury Health Centre are separate practices located within parts of the same listed building.  As part of the ongoing management of these sites to continue to provide NHS healthcare services it is necessary to replace a number of non-original fire doors within each practice.  Within Hunter Street it is also necessary to install fire shutters to protect the external means of escape.  It is also proposed to refurbish the existing baby change and WC within Bloomsbury to provide a facility more suited to the needs of patients and in line with current guidance

Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff  (b) an elected member  (c) related to a member of staff  (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
