Dear Sir or Madam

As the owner of 16 Pakenham St WC1X 0LG I am writing to support my neighbour's application to fell the bay tree in their garden at No 15 Pakenham Street.

The tree is far too big for the small patio gardens at the rear of these houses and prevents sunlight from falling into many of them. Additionally, it acts as a roost for pigeons which cause a nuisance.

I fully support this application.
