Objection to proposal 2022/3357/P

Ref: 2022/3357/P

Dear Nathaniel Young,

Please find attached excerpts from the deeds to Oakford Court, 2, Nassington Road, NW3 2UE, which clearly show the boundary wall terminating in a pillar at the pavement edge, with no mention of this being a shared boundary between Oakford Court and 28 Parliament Hill. Neither is there mention of our front gardens, paths and forecourt being "public" property as Mr. N. Norden asserts.

I send this in support of my (and other Oakford Court freeholders') strong objection to Mr. Norden's high-handed and fundamentally dishonest plans which he has sought to submit to you without letting us at Oakford Court know of his intentions.

With thanks in anticipation of your concern.

Anthony Rothon
