**Subject:** RE: Consultee letter for Planning Application: 2021/2954/P

Good afternoon

Thank-you for consulting us on amended proposals for this site. Could I please check the response deadline for this consultation please? I believe it is 19th October – 21 days from the date of your letter 29th September – however, if it is before then please could we request an extension until this date please?

I would be grateful if you could let me know as soon as possible.

Many thanks for your help with this matter.

Best wishes
