Dear Mr Fitzpatrick,

I live across the street from this project and have not received a letter about this application. In addition, the single notice on my street (photograph below) is wrong. The red outline does not encompass the entire application. I feel that there should be many more notices for this project as it is so huge and all encompassing for the neighbourhood.

I believe this means that you need to extend the period of time for responding to this application as no one who lives in the immediate vicinity knows anything about it.

My number is 0207 586 3382.

Or please reply to this email. Another neighbour and I have been trying to telephone you without getting any response.

Yours sincerely,

Mrs Linda Seward
