As a resident of 32 years and an owner of a business (Cosmo China) of the same period of time, I would like it to be noted that I seriously oppose the expansion of Great Ormond street Hospital. It has outgrown the historic footprint. The new proposal is out of proportion to the local historic buildings.

The disruption, pollution, noise and general reorganising of roads is of no benefit to the local community.

Yours sincerely,

Josie Firmin
