Subject: Great Ormond Street Hospital Application. 2022/2255/P

Dear Mr Marfleet,
You will know that there is considerable unease with the proposals to further develop the hospital. We in the local area have suffered significantly over developments of the hospital and it is clear to all that the hospital has outgrown its current site.

As a local business we would ask that this further planning application should be refused. Please accept this as a notification that we object on the grounds of overdevelopment and the wholly negative impact on the local community.

Yours sincerely, Dawn Elizabeth Howells
