Subject: Objection to planned building works on Museum Street

[REDACTED]

Ref: 2021/2954/P One Museum Street

As a local living just off Drury Lane for over 20 years I strongly object to the proposal to build a 74m high office block, to replace the old Travelodge.

This area has been blighted by continuous large scale building works and many of these developments remain empty.

Please do not go ahead with this.
