Subject: Objection to 2021/2954/P One Museum Street

[REDACTED]

Hi,

I would like to register an objection to 2021/2954/P One Museum Street; due to the height of the building and the damage it would do to the image of the surrounding area. It also raises environmental concerns over a potentially unnecessary build when there is already an existing building in that location.

I live and work in Camden.

Regards,

Nathan Glover
