Dear Camden Council Planning Department, David Fowler and Save Museum Street,

I hope you are all well.

I would like to register my strong objection to the very harmful One Museum Street scheme.

My reasons for my strong objection to the very harmful One Museum Street scheme are as follows

Harmful damaging height of the tower.

Harmful damage to our conservation area.

Harmful damage to housing.

Harmful damage to our sustainability.

Harmful damage of precedent.

I would appreciate it if Camden Council Planning Department could please help me and my local community by not approving this very harmful One Museum Street scheme.

Yours sincerely,

Rummana
