Dear Sir / Madam

Re: 50 Lamble Street planning application

I am writing to express my concerns for the recent planning application for 50 Lamble Street.

Objections are as follows:

- the proposed elevations are out of alignment with the neighbouring properties on Lamble Street
- windows of the line of terraced housing do not align
- the roof line of the proposal does not align with the adjacent properties in the terrace so is out of keeping with the street
- our property will be overlooked but the roof terrace on 50 Lamble street
- it is a very cramped plot and the 6sqm courtyard doesn't provide outdoor space
- loss of green space in the side plot and loss of habitat. Camden needs its green spaces and these should be retained wherever possible. No matter how small

For the above reasons, I feel the proposal needs to be rejected and redesigned to be more appropriate for the street.

Best regards
Jessica
