**The prevention of crime and disorder**

By making the property harder for an offender to access by upgrading the locks on your doors, windows, sheds and outbuildings. Ensuring that a potential target is out of view, not leaving items on view through your windows, ei laptops, phones, keys and bags. Removing items that may help commit an offence by not leaving tools and ladders in the garden and clearing up any rubble/ bricks. Looking at measures that will control access to a location, a

person or an object. Improving surveillance around business to deter criminals, to consider adding CCTV.

Undertake a risk assessment of the building, both inside and out and keep records of such assessments securely. Decide what could be harmful to everybody in the work setting. Manage risks by undertaking regular risks assessment. Provide workplace health and safety policies and follow these policies. Provide any equipment such as washing facilities, drinking water and toilets. Ensure that at least half of the staff members have a current First Aid Certificate. Ensure that the setting has a working telephone in case of emergency.

**The prevention of public nuisance**

Keep windows, doors etc closed- do not however forget that health and safety reasons it is very important to ensure the premises is properly ventilated and access to emergency exits is not restricted. Provide acoustically treated ventilation/ air conditioning avoiding the need for opening windows. Operate at realistic times, which will not impact on others. Use different finishing times for different parts of your operation eg finish entertainment earlier than alcohol or food sales. Use outdoor areas at reasonable times and do not remove waste bottles late at night. Using sealed waste bins with close fitting lids. Full exclusion of those people under 18 from the premises when any licensable activities are taking place. Age limitations (below 18).
