Dear Planning

I am writing to give my support to GOSH's application (ref: 2022/2255/P) for a new Children's Cancer Centre. It is really important that GOSH is able to develop and modernise its facilities so it can continue to provide high quality cancer services, in the very best environment, allowing for innovation and research to take place easily. Having such a development at GOSH in Bloomsbury, is very important for patients from across the region, so they can easily access this highly specialised complex care and treatment.

As a committed supporter of the oncology treatment at GOSH I feel this is vitally important for the care of children with cancer.

Yours sincerely ,

Christiane Hodson
