2022/3234/P	THE HEATH & HAMPSTEAD SOCIETY	27/10/2022 14:13:40	OBJ	<p>Objection from: THE HEATH &amp; HAMPSTEAD SOCIETY</p> <p>The existing block of flats at 8a Hampstead Hill Gardens towers over and visually harms the existing semi-detached house which is very close to it. The size of no 8a is totally incompatible with this part of the Conservation Area.</p> <p>This application proposes to increase the height and mass of the 8a making the existing situation even worse.</p> <p>This application, if approved would negatively affect the Conservation Area and should be refused.</p>
