2022/3654/P	Charles Grant	30/10/2022 08:22:25	COMMNT	I would like to support the planning application by the Leverton Stores at 50 Leverton St. The shop is a vital part of the local community. The external storage unit will help the shop to fulfil its role of providing a useful service to people in the area. The unit is not intrusive or noisy and will allow the shop to stock a wider range of goods.
2022/3654/P	Tom Young	24/10/2022 21:42:01	SUPPRT	I regularly visit Leverton Stores. It has a unique range of goods for sale. The conscientious and able proprietor is responsible for what is an enduring, vital and attractive neighbourhood business. Improving its offer by upgrading arrangements in the shop forecourt is commendable business development which I wholeheartedly support
2022/3654/P	Shelagh Mccarthy	26/10/2022 11:51:39	PETITNSUP P	Hello I support this planning application. I lived next to his shop for 20 years. Although I no longer live in Leverton Street, I continue to use the shop. It is a wonderful local resource, providing a wide (and specialist) range of food and household necessities, and more importantly, he provides a valuable link to what's happening in the local community. Mamet keeps me, and many others, up to date with neighbours, and keeps a particular eye out for vulnerable customers.
