2022/4103/P	Tom Schneider	09/11/2022 14:00:53	OBJ	<p>So sorry on previous objection i have the wrong information as i new see that this is a roof terrace and not an extension. Please amend my objectb tion to below only.</p> <p>The proposed 3rd floor roof terrace will be directly overlooking our garden and will look into our living room and will affect our privacy and is totally unacceptable. If they put screening up then that will affect our moring sunlight.</p> <p>Thanks</p>
2022/4103/P	David Cohen	09/11/2022 14:26:56	OBJ	<p>Hi there, I;d like to object against this as it overlooks my garden and living room, compromising my right to privacy. Thanks, David Cohen</p>
2022/4103/P	Nicole Taylor	09/11/2022 16:32:52	OBJ	<p>Hi- i live at the garden flat at the bottom of 12 Medley Road.</p> <p>I would like to object to 2nd floor roof terrace.</p> <p>This proposed terrace would directly overlook the side of my property and garden in full and will be an invasion of my privacy.</p> <p>There are no other terraces on the medley side road and this planned terrace is directly above me. As it stands on the current plans It will increase opportunity for overlooking not just into my space but all the accompanying properties on Medley and the Iverson Road side.</p> <p>Many thanks, Nicole</p>
2022/4103/P	L Caruso	08/11/2022 16:39:53	OBJ	<p>The extension proposed 1st floor extension will overlook our bedroom and kitchen and affect our privacy and light. The extension proposed 2st floor extension will overlook our bedroom and kitchen and affect our privacy and light. The proposed 3rd floor roof terrace will overlook our bedroom and kitchen and affect our privacy and light; and is likely to cause noise disturbance to all bedrooms. Anyone looking out of the windows or on the roof terrace in the proposed plans will be able to look directly into our bedroom. This breach of privacy is unacceptable. We strongly object to the proposals.</p>

2022/4103/P	Olivia Kate Smith	09/11/2022 16:29:28	OBJ	<p>Dear sir/madam,</p> <p>I am objecting to this development.</p> <p>I have recently purchased the leasehold for Flat A (lower ground) 160 Iverson Road. I object to the planning permission requested for 12 Medley Road due to the below reasons.</p> <p>This development is far too intrusive and creates a much larger structure overlooking the rear of 160 Iverson Road. It will create sight lines into our garden and kitchen, significantly affecting our privacy. The terrace will allow people to see straight into the property and the garden and this impact to privacy is unacceptable.</p> <p>Not only will the development of the terrace and windows impact privacy, but the erection of the rear dormer will affect our right to natural light/sunlight. 160A is a basement property and the main source of light is from the rear garden, which would be significantly impacted by the proposed extension to 12 Medley Road. This is unacceptable to me.</p> <p>I would not have purchased 160A Iverson Road should I have been aware of this potential impact to privacy and sunlight. I only offered and completed on the property earlier this year, moving in over summer.</p> <p>I propose that the planning permission request for 12 Medley Road is rejected; or, if not rejected then severely curtailed, to ensure that the flats immediately adjacent in Iverson Road do not suffer additional impact to privacy or light.</p> <p>I look forward to hearing back from you. Many thanks, Olivia</p>
